

ANCILLARY STUDY APPLICATION FORM

Please provide the specific information requested below, attaching additional pages if required. Do not submit study protocols or grant applications. Please refer to the [Pediatric Cardiac Genomics Consortium \(PCGC\) Ancillary Studies Policies and Procedures](#) for details on the review process and timelines.

Date of Submission:					
Title of Study:					
Principal Investigator:					
Collaborating PCGC Investigator (if applicable):					
Institution:					
Address:					
Telephone			Email		
Single Center Study:	<input type="checkbox"/>	Multi-Center Study:	<input type="checkbox"/>	Biospecimen Use:	<input type="checkbox"/>
Biologic Datasets*:	<input type="checkbox"/>	Clinical Datasets:	<input type="checkbox"/>		
<i>*refers to existing genetic, genomic, and gene expression data</i>					
If approved, do you give the Administrative Coordinating Center permission to post your name and title of study to the B2B Public website?					

Collaborators from PCGC:		
Name:	Organization	Role on Project

Does Study require:	NO	YES	
• Consent of subjects for additional specimen, testing or data collection?	<input type="checkbox"/>	<input type="checkbox"/>	
• Local site data only?	<input type="checkbox"/>	<input type="checkbox"/>	
• Core lab genetic data?	<input type="checkbox"/>	<input type="checkbox"/>	Specify:

• Biospecimens?

- Type (DNA, RNA, tissue)
- Quantity and concentration

Abstract:

1. On separate pages, please describe the proposed study organized as follows.

The maximum page limit is 5.

- A. Specific Aims
- B. Background and Significance
- C. Preliminary Studies
- D. Methods and Timelines
- E. Human Subjects

2. Discuss impact on the PCGC study (e.g., potential for delays in recruitment, additional tests including venipuncture, time commitment, etc.)

3. Source, Estimated Amount and Dates of Funding (Please note any applicable deadlines for funding.)

Attachments:

- A. Biosketches for key personnel in the revised NIH format
- B. List of references pertinent to proposed study
- C. Study budget
- D. IRB approval (if available, or when study is approved by PCGC)
- E. MTA/data use agreement if applicable
- F. Billing, Shipping info if applicable

Submit cover letter, application and attachments to the PCGC Administrative Coordinating Center for distribution to the Ancillary Studies Subcommittee: B2BProgram@cchmc.org.
